SH: Good.
DH: Do we have to upload our strategic plan even if we already handed one in at our TTI?
SC: Is there a standard format for the strategic plan?
HRM: So--if we plan to re-apply this year, do we make the strategic plan for the next three + years?

SMD: Hello Althea, did you send out the action plan in the project directors listserv. I would appreciate a electronic copy.

AL: On a flagship grant does the Flagship Grant Director upload all strategic plans for all campuses within the flagship?

CBK: I would like an e-copy as well.

SB: Hi all, just to clarify--do we need to submit an action plan for the February TTI AND a strategic plan? Or are these the same thing?

LR: Its the same thing, Susannah

SB: thanks

LL: awesome thanks

NH: we would like an e-copy as well.

DE: Aloha Leslie. Good seeing you in NOLA!

JMH: I understand that the strategic plan can be modified later, if necessary. Is that correct?

JG: the strategic/action plan is due to GMS by Feb 28, correct?

LL: Hi Denise,

SD: how can we receive an electronic copy of the strategic plan?

SR: hey Leah!

SH: can you repeat that phone number?

SR: how are you?

LC: can you repeat the number?

LC: ok thanks

CA: Thank you!

SH: yes, can we get an electronic copy of the plan?

DJ: When do we receive the electronic copies of the strategic plan? I have not received one.

JS: When will we know when the summer institutes will be? The sooner the better!

SA: is there a format for this plan??

LL: Hi Denise, Even though plans and drafts were submitted at the TTI, they will still need to be submitted on GMS to OVW. Many campus teams needed to go back to campus and work with additional campus reps before finishing it up.

SR: 3rd week of June

CM: I got mine today

Dan Esparza: Hi Sheetal! Good to see you on the line.

SR: Leah will we get feedback from the TA provider before we submit our strategic plan to GMS?

JH: is our strategic plan specifically addressing the TTI we attended or an overall strategic plan? I assumed we just needed to fill in the action steps form that was distributed and submit that.

TH: When will the call for applications for the 2011-2013 cycle be announced?

NB: If we are applying for the grant this round, do we still need to submit the strategic plan?

SMD: I have not received the charter with all the institutes we are required to attend? How do I get one. I checked with our RF and they don't have that document.

SR: hi dan! good to see you to!

RH: So, when is the strategic plan due? I am not sure if I caught that detail...

LL: Hi Sheetal, I am compiling feedback and comments on each team's draft this week and plan to distribute them by Friday.

RH: Also, is this the same as the strategic plan that we did at the CCRT training?

BP: I haven't received the charter either. Who should we check with?

RH: Okay, Feb 28th, thank you!

SR: Leah! That's great! We will incorporate it into the plan. Also, we had additional ideas and will email you to run it by you.

DJ: When do we receive the electronic copy of strategic plan?

HRW: If we plan to re-apply this year, should we make our strategic plan for 3+ years?

LBW: Does the strategic plan need to address all four minimum requirements or just the one relevant to the TTI we just attended?

LC: ditto Holly's question

LL: Hi Stephanie (Atella), the template provided at the TTI is fine, but you may also format it differently if you desire.

LL: Perfect, Sheetal. Thanks.

SMD: I did contact the TLC GMS on our end and they said that they did not get the charter. She gets all the other information that she forwards to us. Any help.

NB: Sop if we are re-applying, what the should the strategic plan include? Since it is not for 3 years. We only have 6 months left on our grant.

RH: Oh, okay... so there will ultimately be four strategic plans, one for each category.

LR: Yes, 4 plans

SR: good to know Livia!

SA: is there a format for this strategic plan??

JH: great, thanks. we work off the action plan you gave us and submit, clear enough.

JG: how/when will we get the e version of the plan?

NB: Can you ask them to clarify what current grantees who are reapplying should submit regarding the strategic plan? This question wasn't answered.

CA: Is there an electronic copy of this document? I only received a hard copy.

SA: At the institute I attended we were given an example, but not a format...

RH: Can we have an electronic version of that format sent to us?

NB: Is it for only 6 months?

NH: So if we are re-applying, what the should the strategic plan include? Since it is not for 3 years. We only have 6 months left on our grant.

SMD: What is the turn around time for documents that are submitted for review. It has been very difficult to get in touch with our program director.

RH: Okay, thank you.

JMH: How do we get the electronic copy of the strategic plan format?

JH: can we get the word version of the action plan instead of the PDF that was sent. that would make it easier to fill in.

LR: Yes Jessica

CH: thanks livia!

DJ: Thank you, Marigail

NH: what about judicial?

SO: What about judicial folk

KV: Livia-can I as well? Thanks

AW: this question wasn't answered: Sop if we are re-applying, what the should the strategic plan include? Since it is not for 3 years. We only have 6 months left on our grant.

AH: We will send out today as well

LC: only 6 months

LC: since grant is not guaranteed

AW: thanks.

JS: Not sure if my question was posted in the right place..... When will we know the dates of the summer institutes? The sooner we know the better. Thanks!

SR: if the timeline for the strategic plan looks a bit different from what we wrote in our grant application is it alright?

RH: Thank you, Livia, for sending the e-mail yesterday with the CCRT materials and for being willing to send the Word version to complete our strategic plan for the 28th.

CH: @jane, they said the third week of june

TH: When will we be able to reapply for those of us who need to for the 2011-2014 cycle?

SR: Dan, can you please look at my question and check

LC: solicitation comes out monday

SR: ok, thanks Leah & Dan

TH: Thanks!

SMD: 3rd week is the week of 13th or the week of the 20th

SMD: Thanks

JC: Do we know locations?

SMD: I had a question about the document review turn around time by OVW

BP: Who can we speak with about our schedule of TA sessions.

LR: Smita, can you elaborate on your question?

KV: Will someone be visiting our campus at any time? And if so what is the process for that?
Thanks

LR: TA visits depend on TA requests/consultations

KV: That would be great

SMD: I have been trying to contact Rudy for almost 6 months about a education material review but had a hard time getting through to her via email or phone. Any suggestions on how to get in touch with her.

BP: I respect the work you all have done but we would like to ask a question about the schedule. Who at OVW should we discuss this with?

SMD: Thanks Dan. Much appreciated.

PHS: What is a reasonable amount of time to wait for a response from program managers?

DE: Hi Barbara, can you elaborate a bit about what you mean by "schedule?"

SR: All this material is sent via email/snail mail right? Not GMS - just making sure... =)

BP: Dan - we are coming to the end of our grant and the area we are most in need of help with is the mandatory orientation. We are not scheduled for that session until next year (after our current grant is ended). We would like to ask if there is any way our schedule of sessions could be changed to allow us to participate in the mandatory education session

LL: Yes, Sheetal. Email works well for sending materials to OVW for review.

SR: Ok, thanks Leah!

DE: @sheetal. Yes, via email.

CH: One more--and I apologize that this may have been answered-

CH: Is the strategic plan for 6 months if that is the duration of the grant cycle?

SR: awaiting the database of approved curriculum and material used by other campuses

CH: or for three years?

BP: Thank you that is helpful

RH: Just to clarify and with apologies if this has already been definitively answered: May a consortium submit one Strategic Plan for the Project as a whole, based on the stated minimum standard, for example, law enforcement, or are separate Strategic Plans for each of the institutions that are members of a consortium required?

CH: thank you so much. very helpful.

CS: Any recommendations on doing continuation grant rewrites for this next cycle. Is OVW looking for anything different from in the past?

SR: in the orientation we were told sometime soon we will have access to material developed by other campuses - have not heard anything on that front yet?

SR: who should we follow up about that with?

DE: Hi Sheetal, feel free to call me.

LL: Hi Sheetal - I will send you some info and I believe CALCASA has more. Dan?

LR: Yes, CALCASA has some

LL: Thanks, Dan. we were responding to Sheetal at the same time.

SR: ok, thanks all!

LL: Thanks Livia and Dan!

RG: I am wondering if there can be a centralized location of sample policies, strategic plans and products for everyone to consult when different schools are attempting to address different grant goals?

RH: Thanks for that answer!

SR: If you are an individual grantee and want to do a consortium do we have to wait for the grant to expire before we reapply?

SH: What is the mechanism for continuation if we go from individual to consortium?

DJ: Thanks to all of you! It was great putting faces to names/emails! Look forward to working with you all to Build Healthier Campus Communities!

SS: Regarding the consortium question: one plan even though each school will tailor their plans based on their school's programs/procedures, etc...? We were told we'd provide one strategic plan document reflecting each school's individual plans within...

SR: thanks

SS: thanks

PC: To be clear, if funding ends in 6 months, we can or can not apply on this current funding cycle?

RG: You may have missed my question. I am wondering if there is a centralized location folks can put samples of their products and policies to use as a reference>

SR: Would love to use any material out there? can we not put it in the PD Listserv.

SR: One at a time?

LR: Sheetal, does that help?

SR: Yes, thanks...

DC: If we would have money left over for a no-cost extension, can we apply for next year as well?

EZ: can grants who are in a "no cost extension" period still apply for this upcoming grant?

LR: Erika, I think Myrta is addressing your question...unless I misunderstood your question

EZ: yes she is, thanks!

DC: thank you!

MD: If you have a flagship grant, can we still apply for an individual grant?

DJ: I'm a Cancer

SR: when will we know about the reshuffling of program managers and who is our manager?

NDB: Yeah!!!!!!! Dan I am too

SH: That is so funny! I am a Gemini too

DJ: When is our next PD meeting?

DE: Natalie, birthday? april 29th here.

SR: Cool! Thanks...

NDB: May 9th and married on May 27...Great Month!!

LL: I'm a Leo and amazingly my last name is now Lyon. Who'd have every thought?

CH: isn't monday a federal holiday? and if so, should we still expect Monday?

KV: Will we continue to have monthly webinars with the TA providers?

Dianna Jones: I think we have a better chance of Summer weather at next one!

LR: Carmen, can you clarify?

SS: I was wondering about the holiday Monday too... will the solicitation still be up on Monday?

LR: Oh got it

KV: Nice. Thanks!

JC: is there a schedule of upcoming webinars?

DE: Janine, we will be developing a schedule, but as of yet, no schedule.

SR: Can we set up a webinar with one of our TA providers much ahead of our institutes - to get an early start???

CH: great! thanks!

HRM: For the next grant cycle: Is there specific guidelines on who is our community partner and whether we provide funding to that partner? We're looking to adjust our previous grant from providing funding to our community partner for a staff person to providing funding to our community partner on a fee-for-services basis. Would that be acceptable?

SS: I didn't mean the 28th/Strategic Plan deadline - I meant the solicitation being released this coming Monday, a federal holiday

DE: is that right Sheetal?

SR: Yes, we want help with judicial material urgently!

TBG: Is the next Project Director's meeting June 29th then? Just so I am clear. Thanks.

SR: so want to reach out them soon!

DE: Let's talk and we can connect with JA

SR: ok Dan thanks!

KV: We need JA and Orientation assistance ASAP.

SR: Thanks Myrta - good to hear your voice and laugh!! =)

LL: Hi Sheetal. Althea can help you on JA even before June. Reach out to her.

DJ: Will that inundate the TA with future grantees? Was the question, can we contact our next TA providers for June? Unless I complete my first program training.

SR: Will do Leah! You folks are so supportive - love that!

SMD: I have a question about the charter again.. I just contacted my GMS contact person and she wants to know whether the information was sent via email, or GMS.

NDB: Thanks

KV: It was sent through e-mail I believe

SMD: thanks

DJ: Example: If we just completed the Mandatory, while working on the mandatory, I can contact the next provider before June?

LR: Dianna contact the corresponding TA provider

LR: Don't feel constrained to only communicate with 1 TA provider

LR: The idea is you will most likely hear quite a bit from the TA provider that you just met with last week

LL: Yes - Dianna, you can contact any of the four TA providers at any time even if you haven't been the that particular institute or have already attended it.

DJ: Thanks

SMD: You informed me about the upcoming institute and I am still working with the

SMD: our GMS contact person to admit that she did get the charter...

AH: Sheetal you can contact me at ahart@mscasa.org for JA look forward to working with you

LR: Thanks Althea!

SR: Will do Athea, thanks...

LL: Thanks Althea.

DE: Smita, it would have come to her from Latinisha if she is the person on the grant as the authorized representative.

AH: Hello and thanks Leah!

HRM: Okay--I'll call. Thanks!

AW: i see that this question was answered but i was out of my office: can grants who are in a "no cost extension" period still apply for this upcoming grant?

LL: Hey Thea! Always welcome. As we all know, this all goes together in the end.
